25 JUNE 1942

Subject - Scheme for laying subsoil drains in Durgigudi Extension (Shimoga Town) - utilisation of the Government grant of Rs 10,000/-

---

In forwarding herewith the entire file of records received from the President, Shimoga Town Municipal Council, (vide his letter No.C.L.-125/41-42 dated 23rd June 1942) on the subject noted above, I have the honour to state as follows -

next page

Government in their Order No. L 9797-800/ML 101-41-47 dated 14th April 1942 have sanctioned for the current year (41-42) a Town Improvement Grant of Rs 10,000/- for the improvement of Drainage in Shimoga Town The Sanitary Engineer, Bureau of Sanitary Engineering, who was addressed in the matter of furnishing to the Shimoga Town Municipality a comprehensive scheme for improvement of drainage of the Town has since furnished a scheme for laying sub-soil drains in Durgigudi Extension of the Town The entire scheme estimated to cost Rs 17,000/- The necessity to take up the drainage scheme in Durgigudi Extension (as a part of Shimoga Town) has been explained by the Sanitary Engineer, in his report, accompanying the estimate. He is of opinion that the entire scheme might be worked out in two yearly stages and suggests, that in the first instance, the scheme might be worked out for Rs 10,000/- from out of the grant sanctioned by Government (for improvement of drains in Shimoga Town, Vide Government Order dated 14th April 1942// noted above) in accordance with the details furnished by him in the abstract estimate (for Rs 10,000/-) enclosed in the records

The President of the Municipality states that the Municipal

13

(9)

Council are for the Scheme and have passed a resolution to this effect in their Meeting held on 22-6-1942 (vide resolution copy enclosed for kind reference) He reports that Administrative Sanction of Government might be obtained to the Scheme in question and to permit the Municipal Council to draw the sanctioned Government grant of Rs 10,000/- before 30th June 1942, in order to place the amount at the credit of the Sanitary Engineer, Bangalore.

I am also of opinion that the entire scheme may be worked out in 2 yearly stages, the first stage being worked out as suggested by the Sanitary Engineer, Bangalore at a cost of Rs 10,000/- from out of the Government Grant sanctioned for drainage works in Government Order dated 14th April 1942

As regards the question of drawing the Government grant of Rs 10,000/- before 30th June 1942, I may state that in accordance with para 2 of the Comptroller's Circular No. 424 dated 4th February 1942 the Government grant sanctioned for the year 1941-42 for improvement of drains in Shimoga Town, will have to be drawn only after the scheme is sanctioned by Government and not before and that any relaxation of rule in this respect requires sanction of Government The Government grant of Rs 10,000/- sanctioned for the current year will lapse if it is not drawn before 30th June 1942.

In these circumstances, I request that orders of Government may kindly be obtained on the following points -

1. To accord Administrative Sanction of Government to the sub-soil drainage scheme of the Durgigudi Extension at a cost of Rs 17,000/-

2 To permit the Shimoga Town Municipal Council to take up the entire scheme in two yearly stages the first stage being worked out for Rs 10,000/- (from out of the Government Grant sanctioned for the current year) as suggested by the Sanitary Engineer, Bangalore

3 To permit the Shimoga Town Municipal Council to draw the Government Grant of Rs 10,000/- before the 30th June 1942 and to place the said amount at the credit of the Sanitary Engineer, Bangalore as otherwise the grant would lapse.

The detailed estimate and plans are forwarded herewith for favour of reference

I request the favour of very early orders of Government in the matter especially regarding the drawing of the Government Grant of Rs 10,000/- before the 30th June 1942

I have the honour to be,
Sir,
Your most obedient servant,

Deputy Commissioner,

Subject - Re construction of drains in the Durgigudi Extension - in Shimoga Town - at an estimated cost of Rs 17,000/-

---

With reference to your letter No L 5403/ML 85-42-5 dated 28th November 1942, on the above subject, I have the honour to forward herewith a copy of letter No C 1 125/41-42 dated 27th December 1942 received from the President, Town Municipal Council, Shimoga in the matter and to state as follows -

The Municipal President, states that the question was considered by the Municipal Council at its Meeting held on 18th December 1942, when it was resolved to the effect that it would be possible to the Municipality to save a sum of Rs 7,000/- from out of the current year's sanctioned budget provision of Rs 24,000/- sanctioned under the head "D 1 Public Works" - vide resolution copy enclosed for favour of reference

It is ascertained from the President of the Municipality that out of a sum of Rs 9,000/- provided for original works for the current year, a sum of Rs 2,000/- has so far been spent and that a sum of Rs 7,000/- is yet available and that this unspent amount would be utilised towards the drainage work of Durgigudi Extension

He requests that in the circumstances explained by him, sanction of Government might be obtained to take up the drainage scheme under reference

I request that sanction of Government may be obtained in the
